

Premium Plan

The Premium Plan is a comprehensive career development package designed for individuals aiming for job placement and advanced skills. It includes all features of the Free and Basic Plans and adds **mock interviews (3 sessions)**, **LinkedIn profile reviews**, and **custom resume reviews (1 review)** for tailored job search support. Advanced features like **skill gap analysis** to equip learners for competitive job markets. Additionally, participants receive **one-on-one mentorship from SMEs**. Access to **full Resume Marketing Services (RMS)** ensures robust preparation for job applications. Program access is extended to **180 days**, providing sufficient time for in-depth learning and career advancement.
