

Premium RMS Program (Comprehensive Career Support)

The Premium RMS Program offers a comprehensive and personalized approach to career development for professionals aiming to excel in their fields. This plan includes tailored job applications, one-on-one career coaching, and exclusive access to advanced interview and upskills preparation resources. Students benefit from Qtech-sol connections for job applications and connecting with industry professionals, internship referrals, and resume distribution to recruiters. With features access to RMS dashboard, and ongoing support for up to 6 months. Premium RMS empowers candidates to confidently navigate job applications, interviews, and career growth. Additionally, Qtech-Sol-trained students receive career progression planning tailored to their goals.

1. Tailored Job Applications:

- Research and selection of roles matching the candidate's expertise and interests.
- Professionally crafted cover letters tailored to specific job descriptions.

2. Dedicated Career Coach:

- Bi-weekly one-on-one sessions.
- Mock interview sessions tailored to the desired job role, including behavioral and technical questions.

3. Priority Support:

- 24-hour response time for all support queries.
- Direct contact with an RMS advisor via phone or WhatsApp.

4. Industry Networking Opportunities:

- Scheduled introductions to professionals in relevant fields.
- Tips for leveraging professional networks effectively.

5. Access to Advanced Resources:

- Downloadable guides on interview techniques and salary negotiation.
- Exclusive documents covering in-depth job market trends.

6. RMS Dashboard Access:

- A personalized portal with SOP documents for resume preparation, crafting narratives, and availing mock sessions for each job application, interview, and follow-up.
- Recommendations for new job openings based on your application history.

7. Resume Distribution to Recruiters:

- Submission of your resume to Qtech-Sol network recruiters in the relevant industry.

8. Ongoing Career Support:

- Support duration extended up to 6 Months.
- Quarterly reviews and updates on the job application strategy.
